**Venue**

**Amara Hotel, Ballroom 2**

**Date**

**30 June 2017 (Friday)**

**Time**

**09.00am to 02.00pm**

## Be MRV compliant and save fuel ...

### *A flow metering solution seminar by Endress+Hauser*

Today's fuel cost can represent up to 60% of a modern ship's operational cost. Bunker operation and the use of fuel in different areas – ME, AE, Boilers, etc, now require the highest attention. Also if your ship enter EU ports, the European Monitoring Recording Verification (MRV) of carbon emissions regulation 2015/757, will affect you.

From 01 January 2018 the MRV reporting is mandatory. It is now time to work with a dependable partner who is by your side for the long haul and ready across the globe

**We have great pleasure in inviting you to our seminar on Endress+Hauser Fuel Consumption Metering Solutions to be held at Amara Hotel, Ballroom 2 Singapore on 30 June 2017 (Friday) from 09.00am to 02.00pm**

#### **Existing issues**

- Inadequate or no monitoring of actual fuel usage while enroute
- Manual calculations resulting in wrong or inaccurate remain on board (ROB) values
- Open systems with potential for tamperings
- Record of carbon emissions for adherence to EU Regulation (MRV)

#### **Endress+Hauser Solutions**

- Actual / online Monitoring and Recording of fuel consumption during the entire period when the vessel is enroute and in Port
- Automatic calculation and recording of fuel consumed for each section like ME, AE, and Boilers etc. so as to avoid miscalculations.
- Helps improve efficiencies by providing information about how much fuel is / has been used by the various sections, so as to calculate the pollution been exhausted out from the vessel.
- Due to open interfaces, Fuel Consumption Monitoring solution from Endress+Hauser can operate as a standalone or can be seamlessly integrated to a central system for data collection and real time data transfer for on-shore monitoring.

Make plans now to attend this exclusive seminar as it is not only information packed but will enable networking with related industry players. We would greatly appreciate if you could indicate your participation by completing the reply box latest by 15 June 2017

**Free admission**

ALTERNATIVELY, YOU MAY AFFIX  
YOUR BUSINESS CARD HERE

**Register your participation now  
and you could be our lucky  
customer to win a prize!!**

#### **Fax/Email Back Reply**

@ 6566 6848/info@sg.endress.com

Yes. I would like to attend the seminar.  
Please email/fax me the acknowledgement

NO. I am not able to attend.  
We appreciate if you could forward the information  
to your colleagues whom might be interested to  
attend.
